

The University of the West of England Summer Study Trip 2015

The University of the West of England Summer Study Trip 2015 has been completed with positive and fruitful outcomes in Bristol from 28 June to 8 July 2015. 24 graduates of HD in Multimedia & ICT programme were inspired a lot in visiting IBM and HP lab. They have an overall picture of studying the UWE BSc(Hons) Digital Media & BSc(Hons) Computing Programme in AY 15-16.

Three websites done by our students during summer trip were well appreciated and awarded by UWE lecturers:

- **The Best Creativity Award:** <https://nakama4.wordpress.com/>
