

Job Vacancies

Software Engineer

Post Date: 13 January 2016

The HKU SPACE Po Leung Kuk Stanley Ho Community College is established by two reputable education providers in Hong Kong, namely Po Leung Kuk and the University of Hong Kong School of Professional and Continuing Education, to meet the demand for sub-degree education in Hong Kong. Programmes offered by the College are planned and accredited by HKU SPACE, and successful completion of the programmes lead to an award within the HKU system through HKU SPACE. Applications are now invited for the following positions:

Software Engineer(at the rank of Computer Technician I / II)

Appointee will be involved in application project and/or conceptual web design and development. Main duties include users' requirements study, analysis and design, code development, concept development, interface and multi-media design, interactive element development, system integration, testing, system delivery and maintenance.

Qualifications Required: Candidates should possess at least a sub-degree in one of the following disciplines: IT/Computing Studies or equivalent plus some relevant work experience. They should have strong technical background in PHP, HTML and MySQL Database programming; good system knowledge on Linux Server platform; solid experience in CMS; good communication skills on working with team members.

Terms of Appointment: Salary placement will commensurate with qualifications and experience. The contract will normally be 2 years with possibility of renewal subject to review. Gratuity payment, medical benefits and annual leave will be provided.

Application: Please send your full resume with expected salary by post to Human Resources Team, HKU SPACE Po Leung Kuk Stanley Ho Community College, 18/F, 66 Leighton Road, Causeway Bay, Hong Kong, or by email to recruit@hkuspace-plk.hku.hk. Please indicate the full title of the post you are applying. **Application deadline: 29 January 2016.** Shortlisted candidates will be invited to attend an interview. Applicants not contacted within two months from the closing date may assume that their applications are unsuccessful.
